

# Magic: the Gathering Changes

At Scenic City Games in Owen Sound

Scenic City Games is proud to now be a part of the Friday Night Magic program! Starting in November the Friday draft schedule will be changing slightly. There will now be three drafts a month and one Standard Constructed tournament a month, rather than just four drafts a month. The **third** draft of the month will rotate between re-draft and regular draft monthly. For example, here is November's Friday night schedule:

**FIRST FRIDAY;** November. 5<sup>th</sup>: Regular Draft    **SECOND FRIDAY;** November. 12<sup>th</sup>: Rare re-draft

**THIRD FRIDAY;** November. 19<sup>th</sup>: Regular Draft    **FOURTH FRIDAY;** November. 26<sup>th</sup>: Constructed

So December's schedule will look exactly the same except that the **third** Friday will switch to a rare re-draft.

**Why is this happening?** Thanks to our growing player base (you guys!), we are now able to hold more events and give away more freebie promos than before! By changing our Friday night structure like this, we can now hold PRE-release events and give out special FNM foil promo cards. The FNM promos are generally better than previous gateway promos we have given out. For more info on the Friday Night Magic program, see

If you have any questions at all about drafting, FNM or anything else for that matter, feel free to ask us or call at 519-416-1230.

See you Friday!
